PUMA PATIENT LYNX INFORMATION NEEDED

- This Intake Form can be used to request the following services to assist with determining coverage for NERLYNX® (neratinib):
 - Patient Insurance Benefit Verification
 - Prior Authorization/Appeal Support
- Provide all patient demographic and insurance information (please include a copy of the insurance card if possible)
- Provide as much clinical information as possible-by doing so, Puma Patient Lynx can assist with the prior authorization if required
- Once coverage has been determined, if your patient is uninsured or has financial needs, Puma Patient Lynx can research alternative insurance funding options and refer the patient to the correct financial assistance option based on qualifications:
- Commercial Copay/Coinsurance Assistance Program
- Independent Copay Foundations
- Patient Assistance Program

PATIENT HIPAA AUTHORIZATION FOR PUMA PATIENT LYNX SERVICES

I hereby authorize my healthcare providers, my health insurance company, and my pharmacy to disclose my protected health information (PHI) including, but not limited to, my name, address, telephone number, medical records, health insurance coverage, and financial information to Puma Biotechnology and companies working with Puma Biotechnology and their service providers (collectively "Puma Biotechnology") for the following purposes:

- To contact me, or the person legally authorized to sign on my behalf, by phone or mail to provide the services listed below.
- To contact my insurance company on my behalf to verify my coverage for NERLYNX® (neratinib)
- To determine my eligibility, and enroll in the Commercial Copay/Coinsurance Assistance Program
- To determine my eligibility, and enroll in the Patient Assistance Program (PAP), including verification of my financial information and accessing my credit information derived from public and other sources, including information from a consumer reporting agency (credit bureau)
- To refer me to a third-party foundation for assistance or alternate sources of funding or coverage that may be available to provide assistance with out-of-pocket expenses
- To coordinate my treatment with my healthcare provider and specialty pharmacy
- To send me educational materials or other program information that may be of interest to me I understand that Puma Biotechnology may offer an ongoing customized patient support program. The support program could include a nurse contacting me by telephone, email, or text to provide ongoing personalized support over a period of time.

I understand that the information provided by me, my healthcare provider, insurance company, or pharmacy may be used for marketing purposes. I understand that my pharmacy and health insurers may receive remuneration (payment) from Puma Biotechnology in exchange for disclosing my personal information to Puma Biotechnology and/or for providing me with support services for the purposes described above.

Once my health information has been disclosed to Puma Biotechnology, I understand that federal privacy laws may no longer protect the information. However, I understand that Puma Biotechnology agrees to protect my health information by using and disclosing it only for purposes authorized in this authorization or as required by law. I understand that whether or not I sign this authorization does not affect treatment from my healthcare provider or coverage for NERLYNX® (neratinib) through my insurance.

PATIENT HIPAA AUTHORIZATION FOR PUMA PATIENT LYNX SERVICES (CONT.)

I understand that this authorization is voluntary. However, if I refuse to sign, or cancel my authorization, Puma Biotechnology may not be able to determine my eligibility for the Commercial Copay/Coinsurance Assistance Program or the Patient Assistance Program (PAP) or provide certain other support services.

I may cancel this authorization at any time by mailing a letter to Puma Patient Lynx at: Puma Patient Lynx, PO Box 5490, Louisville KY 40255.

This authorization expires ten [10] years from the day that I sign it as indicated by the date next to my signature, unless otherwise canceled as set forth above or unless a shorter period is mandated by the law of my state of residence. I understand that canceling this authorization is not effective to the extent that any person or entity has already acted in reliance on my authorization. I understand and have read this authorization. I understand that I am entitled to receive a signed copy of this form and can do so by calling Puma Patient Lynx at 855-816-5421 or by mailing a request to the address above.

I have read and agree to the Patient HIPAA Authorization.

Relationship to Patient							

The NERLYNX Quick Start Rx provides a 21-day supply of treatment of NERLYNX® (neratinib) at no charge for eligible patients experiencing a delay in obtaining coverage for NERLYNX® (neratinib) through their health insurance. If a gap in coverage extends beyond the first 21 days and the patient/provider is actively pursuing coverage through prior authorization/appeal, the patient may be eligible for one 21-day refill. The program may not be combined with another offer and is not eligible to patients without insurance or whose insurer has made a final coverage determination. Patients must reside in the US or its territories.

Trademarks referenced herein are held by their respective owners.
